	aterials.		Total Marks

## **Instructions**

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer all questions.
- Answer the questions in the spaces provided
  - there may be more space than you need.
- Calculators may be used.

### Information

- The total mark for this paper is 80.
- The marks for **each** question are shown in brackets
  - use this as a guide as to how much time to spend on each question.

# **Advice**

- Read each question carefully before you start to answer it.
- Try to answer every question.
- Check your answers if you have time at the end.
- Good luck with your examination.

# FORMULAE FOR INTERNATIONAL GCSE BUSINESS

# **Gross profit margin:**

Gross profit = revenue – cost of sales

Gross profit margin =  $\frac{\text{gross profit}}{\text{revenue}} \times 100$ 

# **Operating profit margin:**

Operating profit = gross profit - other operating expenses

Operating profit margin = 
$$\frac{\text{operating profit}}{\text{revenue}} \times 100$$

### Markup:

Markup = 
$$\frac{\text{profit per item}}{\text{cost per item}} \times 100$$

# **Return on capital employed (ROCE):**

$$ROCE = \frac{operating profit}{capital employed} \times 100$$

# **Current ratio:**

$$Current ratio = \frac{current assets}{current liabilities}$$

### **Acid test ratio:**

Acid test ratio = 
$$\frac{\text{current assets - inventory}}{\text{current liabilities}}$$

Answer ALL questions. Write your answers in the spaces provided. Some questions must be answered with a cross in a box ⊠. If you change your mind about an ne questions must be answered with a cross in a box . If you change your mind a coss answer, put a line through the box . and then mark your new answer with a cross . It

Nantgwynfaen Organic Farm (NOF) is a farm growing a range of fruit and vegetables. It has a farm shop and offers accommodation with breakfast. It was set up by Amanda and Ken Edwards in West Wales, UK.

NOF supports farmers by selling local organic produce in its farm shop. The produce from the farm shop is served to the visitors staying overnight at the farm.

NOF is committed to being environmentally friendly by recycling, avoiding the use of packaging and reducing the use of electricity.
